EUGENE YOUNG PROFESSIONALS SUMMIT 2019

A program of the Eugene Area Chamber of Commerce

After a successful launch in 2016, the Eugene Young Professionals Summit has increased attendance by 58% and is ready to break record numbers again. We're back at it in 2019 to bring an even bigger, better Summit. We can't wait to continue the momentum and energy of the first three years and help more young professionals find their passions, find their voice and continue to build on past success.

The Eugene YP Summit is a day-long experience that provides a space for dreamers, change-makers, innovators, and open-minded young professionals to get informed, become inspired, and learn what it takes to get involved. We provide the tools, resources, and access to community visionaries who will empower the leaders of today and tomorrow to become catalysts for positive change.
